Did you know?

If you lined up the plastic bottles tossed away each year,
they would circle our planet **FOUR TIMES!**
It's important to remember to recycle.

Toss it? Recycle it?

Can you sort
this rubbish?

Cut and glue each item
to where you think
it belongs!

Reuse,
Renew,
Recycle

Go on a Recycling Scavenger Hunt

Head out to a local park and see how much you can collect from the environment that can be recycled!

Write down what you found!

Bottles?

Coffee Cups?

Plastic bags?

Spot the differences

As the kids plant trees, gather garbage and plastic for recycling... a few things have changed!

Can you find all six?

1. Boys shirt changed from blue to red, 2. Recycling label missing, 3. Boys glasses changed from blue to brown, 4. Tree is missing, 5. Bag of leaves missing, 6. Girls hair ties changed from pink to yellow.

It's grow time!

Grow your own herb garden! Herbs are easy to grow from seeds, requiring a little patience...

WHAT YOU NEED

- Egg Carton
- Scissors
- Herb Seeds
- Multi-purpose Compost
- Clear Plastic Bag

What herbs can you grow?

INSTRUCTIONS

1. Cut the lid off the top of the egg box
2. Place the lid of the egg box underneath the egg box to act as a tray.
3. Fill up each egg compartment with compost
4. Plant the herb seeds in the egg compartments
5. Water well
6. Cover the egg box with a clear plastic bag.
7. Face your herb garden to the sun on a windowsill.
